

# 2023 COORDINATED CARE PLAN

Pediatric Coverage on the Coordinate Care Plan Explained

**We understand your family's health is important. That's why we want to keep you informed about your pediatric care coverage. Review this document to learn about the pediatric coverage at Phoenix Children's on the Coordinated Care Plan (CCP).**

## PEDIATRIC COVERAGE REMINDER

Due to the limited provider availability in the HonorHealth network, pediatric care is covered under Innovation Care Partners (ICP) and BlueCross BlueShield of Arizona (BCBSAZ) network.

Pediatric claims that are not subject to prior-authorization will be approved automatically.

## PHOENIX CHILDREN'S COVERAGE

Pediatric care services received at Phoenix Children's are covered for all primary care physician (PCP) and specialist office visits. The only time you need approval for services is when prior-authorization is required (i.e., inpatient and outpatient procedures). If prior-authorization is required, you will still need to go through the same prior-authorization process. For a list of comprehensive services that require prior-authorization, please reference the Plan Document which can be located at [honorhealthbenefits.com/health-wellness/medical-insurance](https://honorhealthbenefits.com/health-wellness/medical-insurance) (section: Pre-Certification). If you need a prior authorization, please contact medical management at 800-250-6647 or 480-400-0027, or by emailing [icppa@icphealth.com](mailto:icppa@icphealth.com).

## URGENT CARE VISITS

Urgent care visits are subject to a \$35 copay when you visit an HonorHealth or FastMed urgent care center. Visits are subject to a \$60 copay when you visit a Phoenix Children's urgent care center.
