

## BARROW BRAIN AND SPINE SERVICES COVERAGE

Effective July 1, 2022, Barrow Brain and Spine providers at HonorHealth facilities are considered covered in-network under the Tier 1 benefit on HonorHealth's medical plans. Not all doctors at these facilities are in-network, so it is important to determine if the doctor is in- or out-of-network before receiving care. For instructions on this process, please see below. **Please note, the process below only applies for spine-related treatments. For brain-related services, no referral requirement is needed for services with the Barrow-approved providers listed below.**

## BARROW BRAIN AND SPINE INSTRUCTIONS FOR HONORHEALTH MEDICAL PLAN MEMBERS

- HonorHealth pain providers (listed below) refer a patient to a Barrow Brain and Spine approved provider (see list at the bottom of the page to double check it's an approved provider):
  - Employed with HonorHealth:**
    - » Dr. Deogun
    - » Danielle Mackelprang, Nurse Practitioner
    - » Dr. Kumaraswamy
    - » Dr. Torres
    - » Dr. Hennenhoefer
    - » Antika Myers, Nurse Practitioner
    - » Dr. Sultani
    - » Dr. Kumarswamy
  - Pain Consultants of Arizona (under an agreement with HonorHealth):**
    - » Dr. Grove
    - » Dr. Bui
    - » Dr. Kubitz
- A Barrow Brain and Spine approved provider (see below) contacts Innovation Care Partners (ICP) to initiate the pre-certification process.
- ICP then reviews for medical necessity and ensures referral has been obtained from proper referral source.
  - If this is not completed, the claim will be denied.
- Services are rendered with a Barrow Brain and Spine approved provider (see below) at HonorHealth facilities.
- Barrows submits the claim through UnitedHealthcare.
- Claims are priced and passed to UMR.
- Claim is billed at Primary Network level based on agreements with approved facility and provider.
  - Please see the Plan Document for Primary Network benefits around provider and facility fees.
- Benefit is applied based on Primary Network indicator and approved pre-cert on file.
- Explanation of Benefits (EOBs) are issued along with appropriate payment.
  - Barrow received EOB and payment.
  - Patient received EOB.
